~~CONFIDENTIAL~~

1. REASON FOR INVESTIGATION: Investigation is being conducted in compliance with communication from Headquarters 66th CIC Detachment, Subject and file as above, dated 30 Nov 50. The US Immigration and Naturalization Service is considering an investigation of SUBJECT for possible revocation of his citizenship. Helen DUKAS, who may have been SUBJECT's secretary prior to 1933, and who was reportedly brought to the US by SUBJECT, was reported to be in contact with Communists and suspected Soviet agents.

2. SYNOPSIS OF PREVIOUS INVESTIGATION: An FBI memorandum dated 23 Oct 50 mentions a Helen DUKAS, born 17 Oct 1896 at FREIBURG, Germany (French Zone) as having immigrated into the US from Bermuda in 1935. She reportedly was brought to the US by SUBJECT, and was later employed by him as secretary and housekeeper. DUKAS was reported to have corresponded during the early 1940's with Soviet agent Otto RABZ, and to have been acquainted with Mrs. Betty RADVANYI, a refugee German Communist.

3. PRESENT INVESTIGATION: SUBJECT became director of the Kaiser-Wilhelm Institute for Physics in 1914. Coming from ZUTRICH, he registered at BERLIN-Dahlem, Ehrenbergstr 33. In 1915 he moved to BERLIN-Lichtenrade, Mittelsbacherstr 13. From 1919 until 1933 SUBJECT lived at BERLIN-Schoeneberg, Haberlandstr 5, fourth (German) floor. This street has been renumbered twice in the meantime. Both houses having had the number 5 were destroyed. One former renter of this building, (fma) TETZLAFF, BERLIN W. 30, Bambergstr 26, US Sector, stated that SUBJECT was on good terms with a family named AUERBACH. Lotte SCHLIFER, nee AUERBACH, now resides at 26 Ashford Court, LONDON W. 2. A former housekeeper of the AUERBACH family, Marie KULOWSKI, about 70 years old, knows EINSTEIN quite well and is still receiving food packages from EINSTEIN. KULOWSKI is allegedly living either in HOF (M51/0.99) or in the neighborhood of HOF. TETZLAFF stated that SUBJECT did not have an office in or outside of his apartment. The only offices he maintained, according to this source, were in the Kaiser-Wilhelm Institute for Physics and at the University of BERLIN.

4. Available files show only one Helene DUKAS, wine dealer at BERLIN W. 8, Wilhelmstr 47 in 1929. This address is now located in the Soviet Sector of BERLIN.

5. UNDEVELOPED LEADS AND FUTURE ACTION:

a. A search is being made for former associates of SUBJECT and for former communist intellectuals who may have moved in SUBJECT's circle of acquaintances.

b. Attempts will be made to initiate discreet inquiries in the Soviet Sector regarding Helene DUKAS.

c. Efforts are being made to obtain more information regarding Lotte SCHLIFER and Marie KULOWSKI.

1. REASON FOR INVESTIGATION: Investigation is being conducted in compliance with request from Headquarters, 66th CIG Detachment, to determine the identity of SUBJECT's pre-1933 secretary, and to determine the validity of allegations to the effect that SUBJECT and his secretary had been connected with a pre-1933 communist underground movement.

2. SYNOPSIS OF PREVIOUS INVESTIGATION:

a. Reference is made to AR, Region X, subject as above, file X-714, dated 13 March 1950. SUBJECT's pre-1933 secretary, a watchmaker's shop known as UHRENELB BERLIN, and a Kertonagenfabrik operated by Walter SCHAUERHAUSEN, BERLIN, used as telegram address for Comintern and Soviet apparatus.

b. Reference is made to AR, Region VIII, Subject and file numbers as above, dated 14 February 1951. SUBJECT, prior to 1933, had been on good terms with a family named AUERBACH. Lotte SCHIFFER, nee AUERBACH, now resides at 26 Ashford Court, LONDON NW 2. A former housekeeper of the AUERBACH family, Marie KULKOWSKI, knows SUBJECT quite well, still receives food packages from him, and is alleged to live in or near HOF (M51/099).

3. PRESENT INVESTIGATION: Efforts were made to obtain further information on Lotte SCHIFFER, nee AUERBACH, formerly residing in BERLIN-Schoeneberg, Haberlandstr 5, now residing in LONDON, England.

a. Search of police and official city records produced negative results. (B-2)

b. An investigation of the neighborhood showed that this area was bombed out during World War II. (B-2)

c. Interrogation of former residents of this area disclosed the existence of the former grocer of this area, Max KRUMGER, born 5 February 1881, BERLIN W 30, Jankestr 2. An interview with KRUMGER on 24 February 1951 disclosed that he knew Frau Marie AUERBACH, and her daughter Lotte. KRUMGER praised the character of these two women but could not give any further information. For more detailed information, KRUMGER referred the investigator to a former maid in the neighborhood, Frau Bern T. LAFF, nee BEISK, born 25 September 1880, residing in BERLIN

d. During an interview on 25 February Frau TETZLAFF stated in substance as follows: Marie AUERBACH and her daughter Lotte moved into the neighborhood in 1912, Frau AUERBACH being divorced at this time. The maid of the AUERBACH family was Maria KULKOSKA. At this time the family was fairly wealthy but from 1912 to 1933, lost most of their possessions. In 1933 the AUERBACH's moved to Eschaffenerstr 9 where Frau AUERBACH opened a rooming house, which she operated until 1939. During this time Lotte AUERBACH married a fru SCHIFFER, who resided in the vicinity of Prager Platz. Later Lotte immigrated to England with her husband. In 1933 Frau AUERBACH moved with her maid KULKOSKA to Landshuterstrasse 13, where the maid opened a rooming house. In 1940 Frau AUERBACH moved to Nymphenburgerstr (exact address not known). In 1941 Frau AUERBACH was arrested by the Gestapo and has not been heard of since. Frau TETZLAFF received the address of Lotte SCHIFFER from Frau KULKOSKA in 1945 and wrote her a letter but to date has received no answer. The address of Lotte SCHIFFER in 1945 was: Lotte SCHIFFER, LONDON NW2, Ashford Court 26, LONDON, England. During this interview Frau TETZLAFF claimed that the AUERBACH family were close friends of the Prof Albert EINSTEIN family and EINSTEIN's daughter and Lotte SCHIFFER grew up together until the EINSTEIN family moved to the United States. In German politics of the time, EINSTEIN's, Frau AUERBACH and Lotte SCHIFFER were anti-Nazis because of the persecution of the Jews. Though TETZLAFF did not know to which political parties the two families belonged, she claimed that Frau Marie AUERBACH was not pro-socialist and that both Lotte SCHIFFER and Prof EINSTEIN were left wing socialists and pro-Communist. Whether they were members of the then existing Communist Party was not known. (F-3)

4. A check on Marie KULKOSKA, age 70, former maid of AUERBACH family, yielded the following results:

a. The correct name of the former AUERBACH maid is Marie KULKOSKA. (F-2)

b. Police and City records check were negative. (B-2)

c. See paragraph 3d above for the residence of KULKOSKA from 1912 to 1941. TETZLAFF stated that she was visited by KULKOSKA in 1945, at which time KULKOSKA claimed she was residing in HOF with her sister, exact address not known. (F-2)

Rebulet to Newark, 4/6/53.

~~CONFIDENTIAL~~

Instant investigation was re-opened on 2/4/53 in view of the fact the name of ALBERT EINSTEIN appeared as a signature on a letter dated 12/23/52 received by Judge IRVING R. KAUFMAN, which letter was furnished to the New York Office by Judge KAUFMAN. This letter appealed for commutation of the sentences of JULIUS and ETHEL ROSENBERG. In part this letter stated that EINSTEIN felt compelled by conscience to make the appeal and that no one would ever learn from him that he had written such a letter. Furthermore, that he did not wish to challenge the Jury's verdict as such although he did want to mention that for anyone who was not present in court during the trial, the guilt of the defendants was not established beyond a reasonable doubt.

In addition [redacted] made available a leaflet entitled "The People Speak Out; Clemency for the ROSENBERGS," published by the New Jersey Committee for Clemency for the ROSENBERGS, Maplewood, N. J. This leaflet listed ALBERT EINSTEIN and Dr. HAROLD I. CRAY under the sub-caption "Some of the Leaders who have Written to the President for Clemency."

In view of the fact that no additional pertinent information is available to the Newark Office which has not been made available to the Bureau, no interim report will be submitted at the present time and the above information will be included in the Summary Report UACB.

April 21, 53

J. Edgar Hoover,
FBI., Washington.

Dear Sir:

Readers Digest for May carries a story about Dr. Albert Einstein being a sweet simple harmless old genius who had been duped by radicals into permitting the use of his name as being a supporter.

But this gentle old darling, so innocent and naive, was introduced to me as the brain that was setting up Hollywood in the Thirties for the big Communist push.

I had been story and advertising executive with David Wark Griffith pictures from 1919 into early thirties. "Early all our laboratory men were bolsheviks, our head man having been summoned back to Russia to take charge of films there.

Our still photographer was a Russian named Tycko. One of our second cameramen was Abe Schultz, an open communist who went back and forth to Russia.

In early Thirties, I was executive head of story department at RKO studio. Among writers under me was John Howard Lawson etc.

One day Tycko phoned asking me to call on him at Ambassador Hotel, the matter being most urgent.

I found he had a fashionable portrait studio in the lobby. When I asked what was the idea, and how could he afford such rent, he frankly said it was a front. Then he started a three-hour session explaining that the bolsheviks were going to take over here, and it was time for me to join. He had an exaggerated idea of my importance, and also had been impressed by a story in Colliers listing me among top three publicity men in nation ~~xxxxxxx~~ when I was with Griffith. Others were Ivey Lee and Harry Heichenbach.

He was trying to sell me on heading propaganda. I thought he was nuts for I was getting \$30,000 a year and going up every six months. After talking too long, he finally said: "Well, I can see that Dr. Einstein has got to take you in hand. He's the one that never fails with the big shots."

I wanted to know which Einstein, and he said THE Dr. Einstein of the theory. I thought he was joking, but he said come along. We went upstairs in the Ambassador and he knocked at a suite door, and Einstein answered. He said he was busy, but would see me next day. I got a glimpse into his rooms and I thought the man I saw there was Charlie Chaplin.

Going downstairs, Tycko told me that Einstein was organizing all the big studio figures, Schulberg at Paramount, stars like Freddie March, Walter Huston, Hepburn etc, and all the leading directors and writers. He said: "We've got them in our hand, and the Dr. has never failed on one; give him an hour and he convinces you."

Of course bolshevism then implied such prestige as Communism does today. I was busy and ignored Tycko. He phoned and I evaded, but several days later he was at the studio when

RECORDED-107

INDEXED-107

APR 24 1953

---2
I got through for one day, asking me to take a ride.

Then he calmly warned me that if I wanted to get ahead in Hollywood I had better play ball with him, that through Einstein they were getting control of every studio, and that if I didn't be sensible I might be through in Hollywood.

At the time I had two offers from other studios in my pocket, and I said: Tycko, you are becoming a crackpot; you've got delusions about this bolshevik thing, and are really going haywire. "

But he said soberly: "Alright, I'm warning you as a friend; I don't like to see you get hurt and you would be valuable. If you change your mind, phone me."

Within three weeks I was staggered to hear the writers had asked that I be discharged, that they couldn't get along with me.

Later I had four contracts ~~xxxx~~ cancelled after they had been signed, and I never ~~xx~~ was able to stay in a Hollywood studio more than a few weeks.

Then a few years ago I found out what John Howard Lawson was.

Of course I know nothing about Einstein now, but he was no gentle old dupe then, and the top outfit in Hollywood was certainly not organized by the Russian photographers and film laboratory men.

All this can be verified for Tycko must have had a lease at the Ambassador Hotel and Einstein's name must be on the register.

I know this has no value now, nor can it be proved, but it is a pernicious thing that magazines should present Einstein as a sweet blundering old darling who is so easily misled by the naughty radicals. Certainly at that time he was one of the most dangerous and powerful figures in what has become the Communist movement; for Tycko was in deadly earnest when he talked with me.

Sincerely,

Gerritt J. Lloyd

RECORDED-88
ALBERT EINSTEIN EX-120
INTERNAL SECURITY - R

Reference is made to WFO memo dated June 16, 1953, requesting the Bureau to document Confidential Informant [redacted] for the Newark Office.

Refmemo is not clear as to exactly which report [redacted] pertains and as to what information is available in WFO reports. Paragraph 2 of refmemo states that a particular report does not appear in a WFO file. Paragraph 3 of refmemo states that the same report appears in another WFO file. Therefore, if WFO has two files on the subject "Dr. Frank Porter Graham," the files should be reviewed in order to determine that all reports are appropriately filed in the proper file.

The Bureau file in the case entitled "Frank Porter Graham, National War Labor Board, Internal Security - Hatch Act," contains a report by SA [redacted] dated August 10, 1943, at Washington, D. C., WFO file 101-2644. It is presumed that a documentation of [redacted] mentioned in this report is desired. The informant page of the report indicates that [redacted] are, "Sources from which this information was obtained as set out in Bureau memorandum dated May 26, 1943, entitled, 'Frank Porter Graham,' which contains summary material from a review of the Bureau's files."

Bureau memorandum dated May 26, 1943, on Frank Porter Graham, a copy of which was furnished to WFO on June 3, 1943, does not reflect the source of the article appearing in the "New York Times" on March 19, 1940, which contains the information desired and which has been attributed to [redacted]. It appears that [redacted] is a fictitious source made up by WFO for reportorial purposes in reporting the data in the August 10, 1943, report. In any event, this is public source material, and it would not appear that any documentation is necessary or desirable. It should be reported as information appearing in the "New York Times" on March 19, 1940, provided, of course, that the information does appear in the newspaper on that date.

MR HERBERT BROWNELL
ATTORNEY GENERAL OF THE UNITED STATES
WASHINGTON 25 D.C.

DEAR MR. BROWNELL;

IN THE MATTER OF THE COMMUNIST FRONTER ALBERT EINSTEIN - I THINK IT LONG PAST DUE TO PROSECUTE THIS COMMUNIST TRAVELER AS BEING AN UNREGISTERED SPY AND AGENT OF THE COMMUNISTS.

HIS LETTER TODAY SUPPORTING THE COMMUNIST FRUENGLASS PROVES WITHOUT DOUBT THAT BOTH OF THESE BUMS ARE COMMUNISTS. FRUENGLASS HIDES BEHIND #5 - WHILE EINSTEIN MAKES IT CERTAIN THAT FRUENGLASS IS A COMMUNIST AGENT.

NOW THIS PUBLICITY HAS BEEN GIVEN IN THE NEWSPAPERS AND ON WOR IN NEW YORK - BUT IT DOES NOT STATE THAT QUALIFYING NECESSITY THAT EINSTEIN IS PRO-COMMUNIST - AND THAT WHEN HE SPEAKS HE IS SPEAKING AS A COMMUNIST FELLOW TRAVELER.

YOU KNOW ALSO THAT EINSTEIN IS NOT ALL THAT HE IS SUPPOSED TO BE - THERE ARE PLENTY OF BETTER PHYSICISTS AND MATHEMATICIANS WHO WILL TELL YOU THAT EINSTEIN IS DODDERING - AND SEEMS TO BE BENT ONLY ON THE FURTHERANCE OF THE COMMUNIST LIES IN THE SCIENTIFIC FIELDS. EINSTEIN IS A DISHONEST MAN.

I THINK IT IS TIME THAT EINSTEIN BE REQUIRED TO REGISTER AS A SOVIET AGENT -- AND I THINK IT IS ALSO TIME THAT ALL OF THESE PEOPLE WHO TAKE REFUGE BEHIND AMENDMENT FIVE BE REQUIRED TO REGISTER OF AND AS AGENTS OF COMMUNIST RUSSIA.

I THINK IT IS TIME TO REALIZE THAT WE HAVE BEEN UNDER ATTACK BY THE COMMUNISTS SINCE 1933 - AND I LEARNED ABOUT THEM IN 1923 - BUT LIKE OLD DOCTOR WARE - IN THOSE DAYS THERE WERE NO EARS FOR ANY WARNINGS - AND I URGE YOU AGAIN TO TAKE WARNING. COMMUNIST ARMIES ARE BEING BUILT UP IN BRITISH GUIANA, GUATEMALA, MONTERREY MEXICO, QUEBEC, CANADA --- WITH THE INTENTION OF ARMED ATTACK ON THE UNITED STATES.

I THINK IT TIME ALSO TO REALIZE THAT THE COMMUNISTS ARE TRAINING THE YOUNGSTERS - TEEN AGERS - HOW TO ATTACK -- THE STREET FIGHTS IN NEW YORK ARE COMMUNIST PROMOTED AND DOMINATED. WHO ELSE BUT A COMMUNIST WOULD SHOW THESE TEEN-AGERS HOW TO MAKE AND USE A MOLOTOV COCKTAIL?

VERY TRULY YOURS,
